Excellent for Cleaning Hands, Tools and Hard Surfaces

OG Ink Away pre-moistened hand and multi-surface wipes are exceptionally powerful with a robust dual-textured towel which completely cleans hands and surfaces. OG Ink Away's innovative formula disintegrates soils and locks them into the towel, while moisturizing hands and preventing drying and cracking of skin. Hands, tools and surfaces are left very clean and free from residue.

OG Ink Away outperforms competing products but is one of the safest cleaning wipes on the market.

10 x12 inch wipes (25.4cmx30.5cm)
